Billy the Kid, Jesse James, John Dillinger, and Al Capone were all criminals who robbed and killed, yet they were considered good outlaws, celebrated in sensational newspapers, newsreels, and dime novels of the day, and later in film and television, for their daring, courage, loyalty, and even chivalry. Our fascination with criminal heroes has a long history, extending back to legendary accounts in medieval chronicle, romance, and ballad. Although their names may not be familiar—Earl Godwin, Hereward, Eu-stache the Monk, Fouke Fitz Waryn, An Bow-Bender, Gamelyn, Owain Glyndwr, William of Cloudesley, and William Wallace—these outlaws, in addition to Robin Hood, were all driven to lives of crime as victims of political intrigue or legal injustice. They committed capital crimes punishable by death, but, paradoxically, they were loved, encouraged, and supported by their communities.

This revised and expanded edition of *Medieval Outlaws* gathers twelve outlaw tales, introduced and freshly translated into Modern English by a team of specialists, including Timothy S. Jones, Michael Swanton, Thomas E. Kelly, Mica Gould, Stephen Knight, Shaun F. D. Hughes, Alexander L. Kaufman, Thomas H. Ohlgren, Thomas Hahn, and Walter Scheps. The tales range in date from the Norman Conquest to the sixteenth century. Introductions precede each selection and notes identify all of the significant names, places, and historical events mentioned in the texts. Accessible and entertaining, these tales will be of interest to the general reader and student alike.
